

A close-up, artistic photograph of a film strip. The strip is coiled and draped over a stack of green film canisters. The lighting is dramatic, with strong highlights and deep shadows, creating a sense of depth and texture. The film strip has sprocket holes visible along its edges.

PRODUCTION

We at **Indi Productions** have an excellent track record in making quality films that serves the strategic objectives of marketing & corporate communications. We believe in being an integral part of our client's success stories by offering creative media & advertising services.

We help you to build brands through the medium of films & audio visuals. Our emphasis on detailed research helps us to formulate the right strategies for brand positioning. And when this is blended with creativity, it results in the birth of a film that builds a winning brand.

We have conceived & developed innovative films for some of the leading institutions & corporate entities in India as well as abroad like L&T, British Gas, FICCI, MASTEK, Surat Special Economic Zone, MIDC, GO-AIR, Pfizer Ltd, Reliance Capital, Everest Developers, V-Panel (USA), Citibank, Red Apple (UAE), etc.
